

The very loud lawn mower. by August

One day, a bunny woke up and heard a very loud buzzing noise. So she never the bunny went outside and saw a lawn mower, and was very annoyed. She went to the tape store and bought some very sticky tape to keep busy. When she came home it was still there. First she put on earmuffs but it sucked them up.

Next, she threw muffins at it. Also, she threw her couch at it. After, she went to the basement and dug deep into the ground but she still heard it!! She called her lawyer but bunnys don't have lawyers!!

She said said, skud le muffins

I wish it would stop. Tired she tried to ignore it by taking a walk. On her walk she saw two signs. The first said are you very annoyed? Then try ear buds! Only \$10. The next said, Build the best @stronaut suit prize \$10.

She decides to build for 5 hours
but builds a great suit.

So, she goes to the place
and wins \$10. Then she goes
back and gets the earbuds.
mean while the lawn mowers
goes so loud it ex. ~~plodes~~
the earth. She kicks the
lawn mower to Neptune.
She tape the earth back
together. She gets a medal. The
lawn mowers say Ah skudle-
muffins.
